Good afternoon Bladimir,

Julio Torres is requesting if the CARE Team can avoid maneuvering their vehicles on the central median along Huntington Dr. This request comes due to the installation of new sprinklers in the median.

With that, they are requesting if the CARE Team can park along Huntington Dr N. Attached is a map of suggesting parking.

Also, the El Sereno Team is requesting an approximate time of arrival at the location.

Can you please advise?

Thank you,  
mark

Hi all,

Can we let Bladimir know that we just had new sprinkler heads installed on the center median bu the Veterans Monument this morning and to please not allow their trucks on the grass or they will break.

Thanks!

Hi Bladimir,

Just an FYI, we didn't receive notification on the CARE service today in El Sereno and I hope the trucks were not on the grass. if we can continue to try and coordinate this request so we can have one of our staffers at the location while the CARE team services the area that would help.

Thank you again Bladimir,
